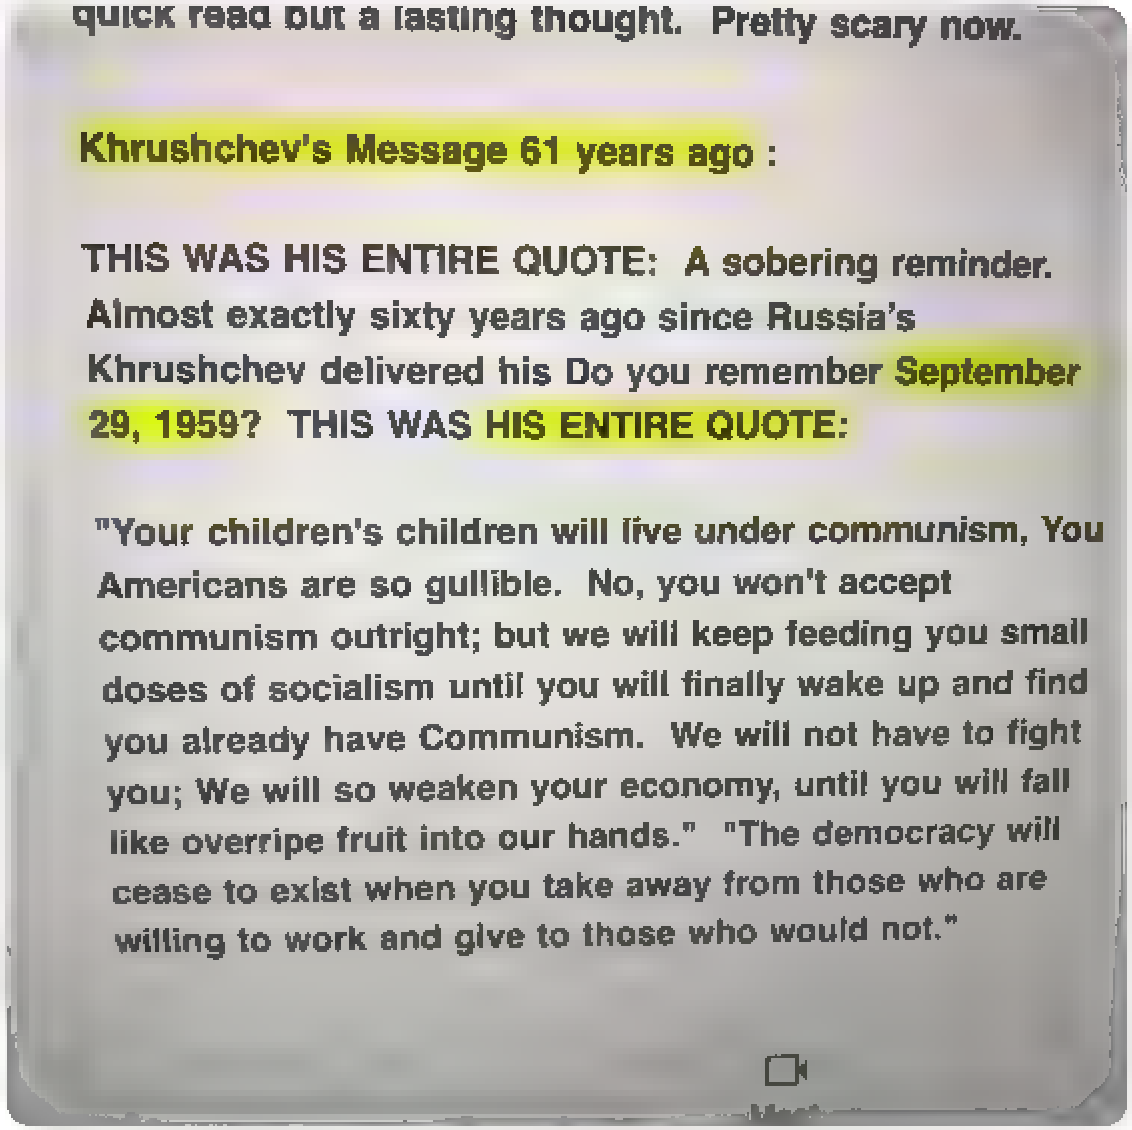
So when are we going to say screw it and take back our country?



quick read but a lasting thought. Pretty scary now.

Khrushchev's Message 61 years ago :

THIS WAS HIS ENTIRE QUOTE: A sobering reminder. Almost exactly sixty years ago since Russia's Khrushchev delivered his Do you remember September 29, 1959? THIS WAS HIS ENTIRE QUOTE:

"Your children's children will live under communism, You Americans are so gullible. No, you won't accept communism outright; but we will keep feeding you small doses of socialism until you will finally wake up and find you already have Communism. We will not have to fight you; We will so weaken your economy, until you will fall like overripe fruit into our hands." "The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

I agree. I asked my Grandpa (he grew during the Depression in dust-bowl-ridden Oklahoma) once whether he was happy growing up. He said they were too busy to think about such things. I think that sums up the problem with so many today. Too much time to think and obsess.

I've told everyone what a horrible person Lin Wood is and if you watched @TuckerCarlson tonight then you heard from Kyle Rittenhouse one of the reasons why I think so.

Lin keeping Kyle in jail instead of bailing him out with ALL that money donated FOR Kyle is absolutely evil.

Lin should go to jail for what he did to Kyle
I also fully blame him for why Georgia lost our Senate seats.
He's from Georgia and we know him as a life long Democrat not a Republican.
He grifted off of Trump & told people not to vote on Jan 5th saying their vote would be stolen.

Anyone who still thinks Lin Wood is anything but a scmbg grifter...listen to Kyle Rittenhouse talk on Tucker about how Wood abused him, his family, and left him in jail for almost 90 days while he raised money off his name.

Kyle Rittenhouse's attorneys have filed legal docs, asking that the $2 million raised by right-wing organizations to bail the teen out after his arrest be given to Rittenhouse and/or his mother.

But Lin Wood says the money belongs to his group.
chicagotribune.com/news/ct-kyle-r …

15 As discussed, the bond funds consist of donations from individual donors who intended their funds be used to support Kyle Rittenhouse and his defense of this matter. Those funds were raised through various other fundraising campaigns, not only through donations to Fightback. Fightback received funds raised by these other campaigns (in addition to direct donor funds for Kyle) due to Mr. Pierce's affiliation with Fightback. And furthermore, as clearly stated in Exhibit 1, Fightback admits it transferred to Mr. Pierce's firm the funds used to post the defendant's bond. It would seem, therefore, it would be in this Court's well-considered discretion to determine that all remaining bond funds at the conclusion of this matter be transferred to or for the benefit of Mr. Rittenhouse, for whose benefit they were donated, and posted, in the first instance.

My 70 year old Father sent me this about an hour ago. Don’t listen to the music, read the words and what it truly means to our Nation.

Samuel Francis Smith wrote this in about 30 minutes, amazing when you think of how deep it is.

Thank You Dad, Happy Fourth

#independence

pride,
From ev'ry mountain side let freedom ring!

My native country, thee, land of the noble free,
thy name I love:
I love thy rocks and rills, thy woods and templed hills;
My heart with rapture thrills like that above.

Let music swell the breeze, and ring from all the trees sweet freedom's song:
Let mortal tongues awake, let all that breathe partake;
Let rocks their silence break, the sound prolong.

It's flu season silly. They have to make the most out of the season and scare as many sheep as possible to keep them locked down. There will be a new variant every 6 months. Booster shots are the answer and will save all of us!!!

Unlike some of my peers, I choose to make my political statements only on social media and never onstage. Why? Because fans do not buy my concert tickets to hear my political views. They buy tickets to be entertained with a great evening of music and to just enjoy themselves.

That mean old car. How could that car wish to do so much damage? The car needs therapy to heal. The car shouldn't serve jail time, we can just have some social workers help get the car back in the right frame of mind so the car does not feel aggressive and violent any more

Congrats to Brian Kelly on LSU job. Never like to see schools used as stepping stones to bigger jobs but can't blame Kelly for leaving for a better program. I'm just glad there is no school in country who could lure Harbaugh from Michigan cause there are no better programs.

So many dont realize the how much more it will cost in the long run. Install a port at your house $6k and charge up for $40 a day average vs ~$40 a week in the tank at the gas pump. And their batteries get replaced every 3 yrs at $8k per battery. Current rates per my research.

Here we have a boy with little man syndrome. He must've not gotten laid by Fang Fang this week.

Can someone pls call China Spy Banger & tell him the vaxxed are covid spreaders & his kids have almost a ZERO % chance of falling ill to the China Virus?

TIA 😘

Rep. Eric Swalwell @RepSwalwell
I'm losing my Covid patience. I've tried to reason with the unvaxxed. I've directed some to medical pros. I don't judge but hear them out and steer them to facts. The unvaxxed love to say it's about choice. But you know who doesn't have a choice? My 3 kids under 5. (1/3)

There needs to be a law in place that anyone caught looting, rioting, protesting, etc while on Unemployment or Welfare, etc... LOSES ALL BENEFITS..

Enough of this idiocy in America.. Those of us who work are literally paying for those not working and causing violence..

This is absolutely ridiculous and laughable at this point...

Fauci just said if they're unvaccinated and get it they need to Self Quarantine..

But if you're vaccinated, you can still get it, but you don't have to, and you can still spread it...

Hey @RandPaul, there is a 5 year statute of limitations for lying to Congress. Once we take it back go hard at Congress to enforce the law where Fauci is concerned.

> Part of the point of bringing someone before Congress is that they're forced to tell the truth or risk perjury charges. However, the charges only seem to apply if Congress can quickly dig up proof of a lie. Otherwise, if the perjurer makes it five years without his lie being discovered, it's like the crime was never committed.
>
> The 'Committee Classified' documents that the Democrats released a day or two ago seem to contain evidence of Kavanaugh perjuring himself before Congress at least five times, all more than five years ago.
>
> What is the justification for the statute of limitations
